

Dear Community Business Leader, friend and or family member,

Your generosity is sought to support the Choctawhatchee High School Swim Team. The team consists of 28 very dedicated male and female student athletes. These youth participate in a sport where they have fun, stay healthy and chase their dreams in a positive environment. These athletes are in the pool by 5 am every day and put in a 2 hour work out before the school day even begins. The team is looking forward to a successful season and we would like for you to be a part of it!

Meeting the expenses associated with a swim team is a huge task. The single greatest expense being the rental of the pool for two hours, five days a week for approximately three months. Additional expenses include meet fees, transportation, meals during meet days, team suits and the list goes on. Current fund raising efforts include car parking at football games, car washes, grocery bagging, yard sales and coupon sales in addition to seeking company and individual sponsorships.

Your cash, goods or services donation in **any** amount is welcomed and very much appreciated !!
